Tool Search: Grade Earned

The Grade Earned Report lists all grades earned by a student enrolled in grades 6-12 in a class for each term of the class. All students who have an active enrollment on or during the Prior and Effective Reporting Dates are included.

Report Logic

Students marked as *No Show* or *Summer Withdrawal* are not included. Students are also not included when:

- The student's enrollment record is marked as State Exclude.
- The Grade Level of enrollment is marked as State Exclude.
- The Calendar of enrollment is marked as State Exclude.

State Score Options

The Score Group used needs to have the State Score column populated with corresponding values of the following letter grades:

A+	A	A-
B+	B	B-
C+	C	C-
D+	D	D-

F		
---	--	--

Grading Task

Only the FINAL grade record for each course reports. This is identified by the Grading Task (created in the [Grading Task Setup](#) tool) having the word FINAL in the name.

The screenshot shows the 'Grading Task Setup' interface. At the top, there are buttons for 'Save', 'Delete', 'New', and 'New One-time Task'. Below is a list of 'Grading Tasks' including 'Progress Report', 'Quarter Grade', 'Semester One Exam', 'Semester One', 'Semester Two Exam', 'Semester Two', 'Final Grade', and 'Trimester'. The 'Final Grade' task is highlighted. Below the list is a 'Grading Task Detail' panel with the following fields: 'Name' (Final Grade), 'Abbreviation', 'Number' (6), 'Seq' (6), 'Code', 'Posts to Transcript' (checked), 'External LMS Exclude' (checked), and 'State Reported' (checked).
