Tool Search: Title 1

Title 1 is a federally funded program designed for the academic achievement of the disadvantaged student. For a student to participate in Title 1 Services, the school must be marked as a Title 1 school on the [School](#) editor. This information is reported in the [Data Pipeline Title 1 Extract](#).

See the core [Title 1](#) article for information on necessary tool rights, available Ad hoc fields, and guidance on adding and printing Title 1 records.

*Title 1 Editor*

Any number of services can be marked for a given record. One Title 1 Service entry, regardless of the number of services marked, is considered a service.

If a service in one entry ends but the rest of the services are still active, end that record and enter a new one. This way, there is always a record that the student received the ended service at some point during the year.
