Tool Search: Test Accommodations

The **Test Accommodations Report** lists special accommodations and modifications provided for Special Education students, such as more time or more breaks, to complete tests.

The screenshot shows the 'Test Accommodations (MO)' report editor. It includes a search bar at the top, a breadcrumb trail (Student > Reports > Test Accommodations (MO)), and a title 'Test Accommodations Report' with a star icon. A description states: 'The Test Accommodations Report lists special accommodations and modifications for Special Ed student, such as more time, or more breaks.' Below this, there are date range fields for 'Plan's Date Range (Required fields)' with '*Start Date' and '*End Date' (01/29/2020). A section asks 'Which students would you like to include in the report? (CTRL-click or SHIFT-click to select multiple)' with a dropdown menu showing 'All students'. There is also a 'Sort By' dropdown set to 'Student Name' and a checkbox for 'Print in HTML format'. A 'Generate Report' button is at the bottom.

The report looks for locked IEPs that include a Test Accommodations editor or an Assessment Determination editor that lists the accommodations made to the student. Accommodations are entered on a student's IEP:

- The **WIDA-ACCESS Accommodations Editor** on the student's IEP needs to be populated with the selected Accommodation and area of accommodation.
- The **District Wide Assessment editor** should also be populated as appropriate.
