

RTI Intervention Providers

Last Modified on 04/09/2025 3:23 pm CDT

Tool Search: RTI Intervention Providers

Intervention Providers are staff members who are authorized to provide the intervention to the student. Only people defined as an intervention provider within this tool are available for being assigned an intervention provider on a student's RTI plan (see Image 2).

Staff members designated as a Case Manager on the student's [Team Members](#) tool are allowed to enter intervention delivery data.

See the [RTI Interventions Providers Tool Rights](#) article for information related to tool rights for this tool.

Create RTI Intervention Providers

1. Click the **New** button. The Provider Detail editor will appear on the right.
2. To select a staff member with a District Assignment of Response to Intervention or Special Ed, select the person from the **Link to Person** dropdown list.

Only staff members with a District Assignment value of Response to Intervention and/or Special Ed display in this list.

The screenshot shows the 'Employment Assignment Information' form. At the top, there are tabs for 'Home', 'Details', and 'New'. Below the tabs, there's a section for 'Employment Assignment Information' with fields for 'School', 'Department', 'Title', 'Start Date', 'End Date', 'Assignment Code', and 'Type'. The 'Type' dropdown is set to 'Response to Intervention'. Below this, there are several checkboxes: 'Response to Intervention' (checked), 'Special Ed' (checked), 'Behavior Admin' (unchecked), 'Health' (unchecked), 'Behavior Response Approver' (unchecked), 'Self Service Approver' (unchecked), 'Food Service' (unchecked), 'Exclude Behavior Referral' (unchecked), and 'Food Processor' (unchecked). Red arrows point to the 'Response to Intervention' and 'Special Ed' checkboxes.

3. Enter the **Name** of the intervention provider. If a person was selected in the Link to Person field, this field will auto-populate with their name.
4. Enter the name of the **Agency** the provider works for.
5. Enter the **Address** of the agency the provider works for.
6. Enter the **Phone Number** of the provider.
7. Select the **Additional School(s)** to designate schools for an unlinked provider or additional schools for a linked provider.
8. Select the **Save** button. The person is now an available Intervention Provider within RTI plans (see Image 2).

The screenshot shows the 'RTI Plan Outline' form. On the left, there's a sidebar with a list of tabs: 'RTI Plan Outline', 'Intervention Plan', 'Student Demographics', 'Parent/Guardian Information', and 'RTI Team Meeting'. The main area has a 'Save' button, a 'Save & Continue' button, and a 'Print' button. Below these, there's a section for 'Evaluation Method/Tool' with a dropdown menu. Below that, there's a section for '*Intervention' with a dropdown menu. Below that, there's a section for 'Description' with a text area. Below that, there's a section for 'Link' with a dropdown menu. Below that, there's a section for 'Intervention Provider' with a dropdown menu. The dropdown menu is open, showing a list of names: 'Bellie, Jodi', 'John Doe', and 'Pitzel, Steve'. A red box highlights the dropdown menu. Below the dropdown menu, there's a section for 'Location' with a text area. Below that, there's a section for 'Minutes per session' with a text area. Below that, there's a section for 'Session frequency' with a text area. Below that, there's a section for '*# sessions per' with a text area. Below that, there's a section for '*Service Frequency' with a dropdown menu set to 'week'.
