Assessment Status Override Tool Editor

Report Editor

Field	Description
Select Calendar(s)	The calendar(s) from which data is pulled for the report.
Effective Date	To report, students must have an Enrollment Start Date that is on or before the date selected in this field.
Format	The format in which the report will be created. Options include CSV and PDF.
Assessment to Override	Select the assessment(s) for which you want to overwrite the calculated value.
Current Status to Override	Select the current statuses to overwrite. If a student's current assessment is not selected, Campus will not overwrite the status.
Override Status	Select the status that will overwrite the calculated status.
11th Grade CCR Override Status	Select one new status, Met or Not Met , to overwrite the calculated values, null values will always be overridden. <ul style="list-style-type: none"> • Math • ELA
Select Students	<ul style="list-style-type: none"> • Grade - Only grade levels from schools active in the selected calendars display. • Ad Hoc Filter - Select a student filter to further narrow selection results.
Test	This option creates the Assessment Override Results report but does not save changes.
Run	This option changes the calculated value for the selected assessments to the option selected in the Override Status field. The Assessment Override Results report is also created.

Assessment Override Results Report Layout

Element	Description	Location
LEA	The two-digit state designation of the local education agency. <i>Alphanumeric, 2 characters</i>	School & District Settings > District > District Information > State District Number
