The Staff Development Template reports qualifications and training data on school security officers, school resource officers and school police officers, noting the following:

- When the staff person's most recent firearms qualification was received.
- When the staff person's most recent CPR qualification was received.
- When the staff person's most recent first aid qualification was received.
- The number of hours the staff person participated in MPOETC training.
- The number of hours the staff person participated in NASRO training.
- The number of hours the staff person participated in local training.
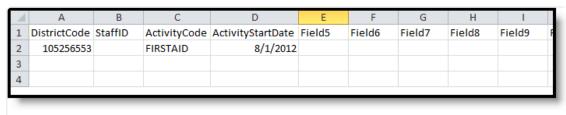

See the PIMS Reporting article for additional PIMS Reporting information.

Report Logic

When the Exclude checkbox is marked on the District Assignment tool, the staff person does not report.

Generate the Staff Development Template
