

Ed-Fi v3.X - Student Program Attendance Events Resource Preferences

Last Modified on 12/14/2025 8:45 pm CST

Tool Search: Ed-Fi Configuration

The Ed-Fi Configuration tool is used to establish Ed-Fi data resources.

The following describes how to set the resource preferences for the Student Program Attendance Events resource. If the Configure or Edit buttons do not display, then the resource does not need to be mapped and the toggle button can be used to turn the resource on or off.

If a mapping is changed, a resync must be performed on the resource in order for the new mappings to send correctly.

1. Set the Student Program Association preference to **ON**.

Resource	Active	
Grade Levels		Edit
Grade Information	<input type="radio"/> OFF	—
Course Transcripts	<input checked="" type="radio"/> ON	Edit
Student Academic Records	<input checked="" type="radio"/> ON	Edit
Parent Information	<input type="radio"/> OFF	—
Parents	<input checked="" type="radio"/> ON	
Student Parent Associations	<input checked="" type="radio"/> ON	Edit
Attendance Information	<input type="radio"/> OFF	—
Student Program Attendance Events	<input checked="" type="radio"/> ON	
Student School Attendance Events	<input checked="" type="radio"/> ON	
Schedule Information	<input type="radio"/> OFF	—
