The TA (Test Accommodations) report was added to IN State Reporting. The purpose of this data collection is to gather CSEP (Choice Scholarship Education Plan), EL (English Learner) and/or 504 student accommodation information used to populate student-level information for online testing and barcode labels for the ILEARN, IREAD-3 (first time testers and re-testers), and ISTEP+ Grade 10 (first time testers and re-testers) assessments during the 2018-2019 school year.
