## Report Logic

- Reports students with that are flagged for Hospitalization/Homebound or in a Hospitalization/Homebound Program where the start and end dates overlap the reporting period. A Homebound/Hospitalization Program is a program with the code **HB** and the State Reported checkbox is marked.
- Students do not report if any of the following conditions exist:
  - The student's enrollment **State Exclude** field is checked.
  - Students enrolled in the grade level where the Grade Level's **Exclude from state reporting** field is checked.
  - Any students enrolled in a school where the Calendar's **Exclude** field is checked.
