Report Logic | Report Editor | Report Layout

The ADE Audit Report allows State Edition users to audit ADE report data. The report provides enrollment totals and differences aligned with the ADE reports.

ADE Audit Report Editor

Report Logic

- Students will only report if they have a Start Status of E1, E8, E9, E11, or R2.
- Students withdrawn from School A and enrolled in School B on the same day are only counted on the new/active enrollment record.
- Students enrolled and withdrawn from School A on the same day are not counted (no show).
- Students with multiple applicable enrollments are counted for each active enrollment.
- Students are NOT included if
  - their enrollment record is marked as No Show;
  - their Grade Level of enrollment is marked as Exclude; or
  - their Calendar of enrollment is marked as Exclude.

- To run the report, users must select a Year and District in the toolbar.

Report Editor

Field	Description
Format	Indicates how the report generates: • CSV • HTML
Filter By	• Calendar • District • School
Select Calendars	Allows you to select which Calendar(s) should be included in the report. Calendars can be sorted by active year, school, or year.
Generate Extract	The report appears in a separate window in the designated format.
Submit to Batch	This process allows larger reports to be generated in the background without disrupting the use of Campus. See the Batch Queue article for more information about submitting a report to the batch queue.

Report Layout

Element	Logic	Location
District Number	The district number associated with the chosen calendar. *Numeric*	School & District Settings > District > District Information > State District Number District.number
District	The district name associated with the chosen calendar. *Alphanumeric*	School & District Settings > District > District Information > Name District.name
School Name	The name of the school. *Alphanumeric*	School & District Settings > Schools > School Information > Name School.name

Element	Logic	Location
School Number	The school number for the school included in the report. *Numeric*	School & District Settings > Schools > School Information > State School Number School.number
School Calendar	The calendar name. *Alphanumeric*	School & District Settings > Schools > School Information > Name School.name
Track	A numeric character indicating the track. *Alphanumeric*	Scheduling & Courses > Calendar Setup > Calendar Information > Track Calendar.track
