Example Extract Editor

Report Logic

All students with an Enrollment on or prior to the Effective date selected on the editor are considered for reporting.

Report Editor

Field	Description
Submission Code for File Name	The report naming convention based on the submission time frame of the report.

Field	Description
Extract Type	7 PS Att
Effective Date	The date from which data is pulled for the report.
Format	Determines the format for the report. Use State Submission when submitting the final data. Use HTML for data review and testing.
Select Calendars	The calendar(s) from which data is pulled for the report. This option is only available when you select <i>HTML</i> for the File Format and can assist you with verifying data for individual calendars.
Generate Report Submit to Batch	Users have the option of submitting the report request to the batch queue by clicking Submit to Batch instead of Generate Extract . This process allows larger reports to generate in the background without disrupting the use of Campus.

Report Layout

Element	Logic	Format and Length	Campus Database	Campus Location
ADMINID	The VT AOE assigned unique identifier for the Supervisory Union/District that is submitting data.	Alphanumeric, 6 characters	District.number	System Administration > Resources > District Information > District Detail > State District Number
