Tool Search: SLDS

The Organization Profile Holidays extract enhances Vermont's ability to efficiently and accurately manage, analyze, and use education data.

The screenshot shows the 'SLDS ☆' interface with a breadcrumb trail: 'Reporting > VT State Reporting > SLDS'. Below this is a blue header 'VT SLDS Reports' and a message: 'This tool will extract data to complete the VT SLDS Reports.' The main section is titled 'Extract Options' and contains several fields: 'Submission code for file name' (Fall ADM Official (06)), 'Extract Type' (8a Org Profile Holidays, highlighted with a red box), 'Effective Date' (05/05/2020), 'Format' (State Submission), and 'Report Legal Identities' (checked). There are 'Generate Report' and 'Submit to Batch' buttons. Below these is a 'Refresh' button, a 'Show top 50' dropdown, and a date range filter 'tasks submitted between 04/28/2020 and 05/05/2020'. At the bottom is a 'Batch Queue List' table with columns: 'Queued Time', 'Report Title', 'Status', and 'Download'.

Example 8a Org Profile Holidays Extract Editor

## Report Logic

Calendar details report for the calendar that has a Start Date on or prior to the Effective Date selected on the extract editor.

## Report Editor

Field	Description
<b>Submission Code for File Name</b>	The report naming convention based on the submission time frame of the report.
<b>Extract Type</b>	8a Org Profile Holidays
<b>Effective Date</b>	The date from which data is pulled for the report.
<b>Format</b>	Determines the format for the report. Use <b>State Submission</b> when submitting the final data. Use <b>HTML</b> for data review and testing.
<b>Select Calendars</b>	The calendar(s) from which data is pulled for the report. This option is only available when you select <i>HTML</i> for the <b>File Format</b> and can assist you with verifying data for individual calendars.
<b>Generate Report Submit to Batch</b>	Users have the option of submitting the report request to the batch queue by clicking <b>Submit to Batch</b> instead of <b>Generate Extract</b> . This process allows larger reports to generate in the background without disrupting the use of Campus.

## Report Layout

Element	Logic	Format and Length	Campus Database	Campus Location
<b>ADMINID</b>	The VT AOE assigned unique identifier for the Supervisory Union/District that is submitting data.	Alphanumeric, 6 characters	District.number	School & District Settings > District Information > District Detail > State District Number

Element	Logic	Format and Length	Campus Database	Campus Location
