Report Logic

Calendar details report for the calendar that has a Start Date on or prior to the Effective Date selected on the extract editor.

Report Editor

Field	Description
Submission Code for File Name	The report naming convention based on the submission time frame of the report.
Extract Type	8a Org Profile Holidays
Effective Date	The date from which data is pulled for the report.
Format	Determines the format for the report. Use State Submission when submitting the final data. Use HTML for data review and testing.
Select Calendars	The calendar(s) from which data is pulled for the report. This option is only available when you select <i>HTML</i> for the File Format and can assist you with verifying data for individual calendars.
Generate Report Submit to Batch	Users have the option of submitting the report request to the batch queue by clicking Submit to Batch instead of Generate Extract . This process allows larger reports to generate in the background without disrupting the use of Campus.
