The Student ADM By Enrolling Org Report extract type enhances Vermont's ability to efficiently and accurately manage, analyze, and use education data.

Report Logic

- All students with an Enrollment on or prior to the Effective date selected on the editor are considered for reporting.
- To report, students must have one of the following selected for ADM Type:
 - R: Resident Student
 - S: State Place Student
 - O: Other
- If no ADM Type is selected, the student does not report.
- To report in the Tuition Student Official 05 Submission, students must have the **Tuition Student** checkbox marked (*Student Information > General > Enrollments > State Reporting Fields > Tuition Student*).

Report Editor

Field	Description
Submission Code for File Name	The report naming convention based on the submission time frame of the report.

Field	Description
Extract Type	2 TS Stu ADM ByEnrollingOrg
Effective Date	The date from which data is pulled for the report.
Format	Determines the format for the report. Use State Submission when submitting the final data. Use HTML for data review and testing.
Select Calendars	The calendar(s) from which data is pulled for the report. This option is only available when you select <i>HTML</i> for the File Format and can assist you with verifying data for individual calendars.
Generate Report Submit to Batch	Users have the option of submitting the report request to the batch queue by clicking Submit to Batch instead of Generate Extract . This process allows larger reports to generate in the background without disrupting the use of Campus.
