## Report Editor

Field	Description
<b>Submission Code for File Name</b>	The report naming convention based on the submission time frame of the report.
<b>Extract Type</b>	0 Student Match
<b>Effective Date</b>	The date from which data is pulled for the report.
<b>Format</b>	Determines the format for the report. Use <b>State Submission</b> when submitting the final data. Use <b>HTML</b> for data review and testing.
<b>Report Legal Identities</b>	When this checkbox is marked, Campus reports the legal name entered on the Census > People > Identities tab. If only one part of the Protected Identity Information is entered, that part reports and the other name fields report blank. For example, if the Legal First Name is entered but the middle and last name fields are empty, then only the first name reports and the middle and last names report blank. <a href="#">▶ Click here to expand...</a>
<b>Select Calendars</b>	The calendar(s) from which data is pulled for the report. This option is only available when you select <i>HTML</i> for the <b>File Format</b> and can assist you with verifying data for individual calendars.
<b>Generate Report Submit to Batch</b>	Users have the option of submitting the report request to the batch queue by clicking <b>Submit to Batch</b> instead of <b>Generate Extract</b> . This process allows larger reports to generate in the background without disrupting the use of Campus.
