HOV History Tool

Users will need the **R: Read** right to view the HOV History tab for a student enrolled in a calendar for which the user has rights. **W: Write, A: Add, or D: Delete** do not give any additional rights, as this is a read-only tool.

The report can be generated as a PDF or DOCX format.

Health Office Visit Report ✕

The Health Office Visit Report includes information on complaints, medications, and treatments the student receives during a visit to the Health Office.

Report Format: PDF DOCX
