Summary Report Example | Detail Report Example

Tool Search: Overall Staff Rating Report

Use this report to generate a summary of the overall ratings from completed Staff Evaluations. You can report from Annual or Interim evaluations as well as Observation Evaluations that have an overall rating.

The report results can be used to assess how a district or school is performing.

For staff with multiple locations on their assignment, the Overall Rating is applied to each Work Location.

To generate the report, select report options from the report editor and click the **Generate** button. You may select to report on specific Evaluation Periods, Schools and Evaluation Types. The report will display in the format that you choose; i.e. PDF or CSV.

Overall Staff Rating Report
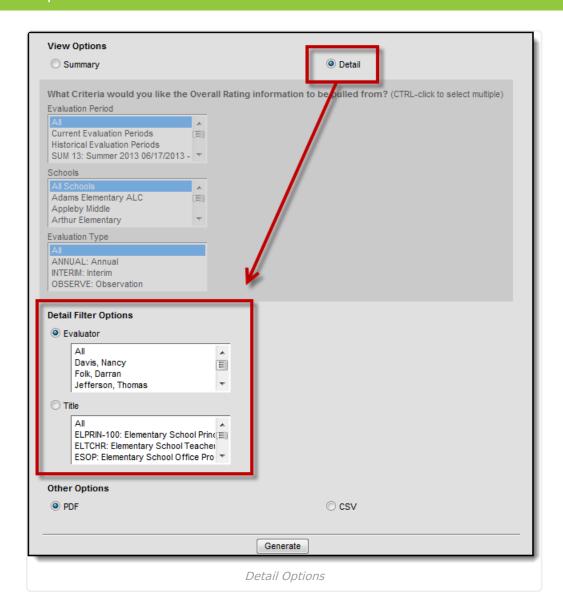

This report generates a summary of overall ratings provided on Staff Evaluations. This will provide users an overview of how a district or school is performing overall. Users can select to pull data from Annual or Interim evaluations as well as Observation Evaluations that have an overall rating. With the appropriate tool rights this report will also provide a detailed listing by evaluator or title. For staff with multiple locations on their assignment, the Overall Rating will be applied to each Work Location.
