Tool Search: Enrollments

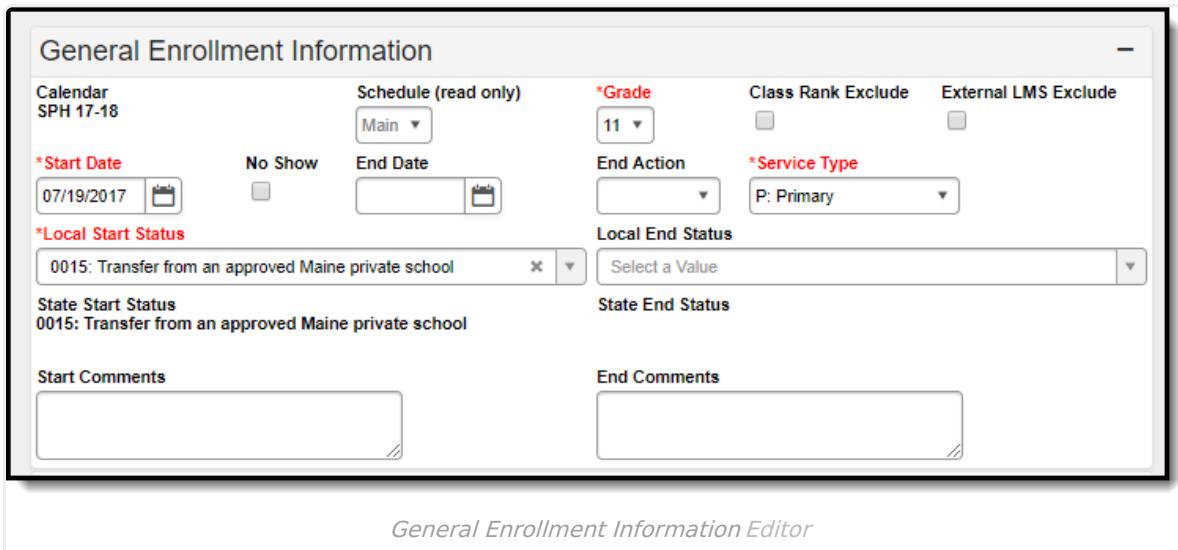

The Enrollments tool displays all current and historical occurrences of a student's enrollment in a district.

By default, enrollment records are listed first by grade level, then by enrollment start date. To reorder the list of enrollments, click the blue hyper-linked headers in the Enrollments Editor list. The list of enrollments can be sorted by Grade, Calendar, Start Date or End Date.

See the core [Enrollments](#) article for information on necessary tool rights, available Ad hoc fields, and guidance on adding and printing Enrollment records.

General Enrollment Information

For information about each field in the General Enrollment Information editor, see the [General Enrollment Information](#) section of the Enrollments article.
