

# Early Education (Minnesota)

Last Modified on 10/21/2024 8:21 am CDT

[Early Education Information](#) | [Tool Rights](#) | [Early Education Ad hoc Fields](#) | [Early Education Data Elements](#) |

To address changing needs for Early Education and Early Childhood reporting in Minnesota, Early Education has moved to the Campus Core State Program area.

## Tool Search: Early Education

The Early Education tool records the basic information concerning an EE program, including program details, funding source, and caregivers. EE programs are designed to serve children who are not yet at school enrollment age. Information recorded for this program is reported via the Ed-Fi Student Early Education Program Associations Resource.

# Early Education Information

1. To view or edit a record, select it from the list of records displaying on the **Early Education** screen. Click **New** to create a new record.
2. Refer to state guidelines when populating fields in the **Program Information** editor. Fields

titled with an asterisk must be populated to save a record.

3. Persons with an active Guardian relationship to the student may be selected as **Caregiver**. Use the **Add** button if additional caregivers must be entered. Use **Remove** to remove a caregiver record.
4. Follow state guidelines when adding **Funding Source** or **Referral To/From** information.
5. **Save** the record, or **Cancel** to exit the editor without saving.

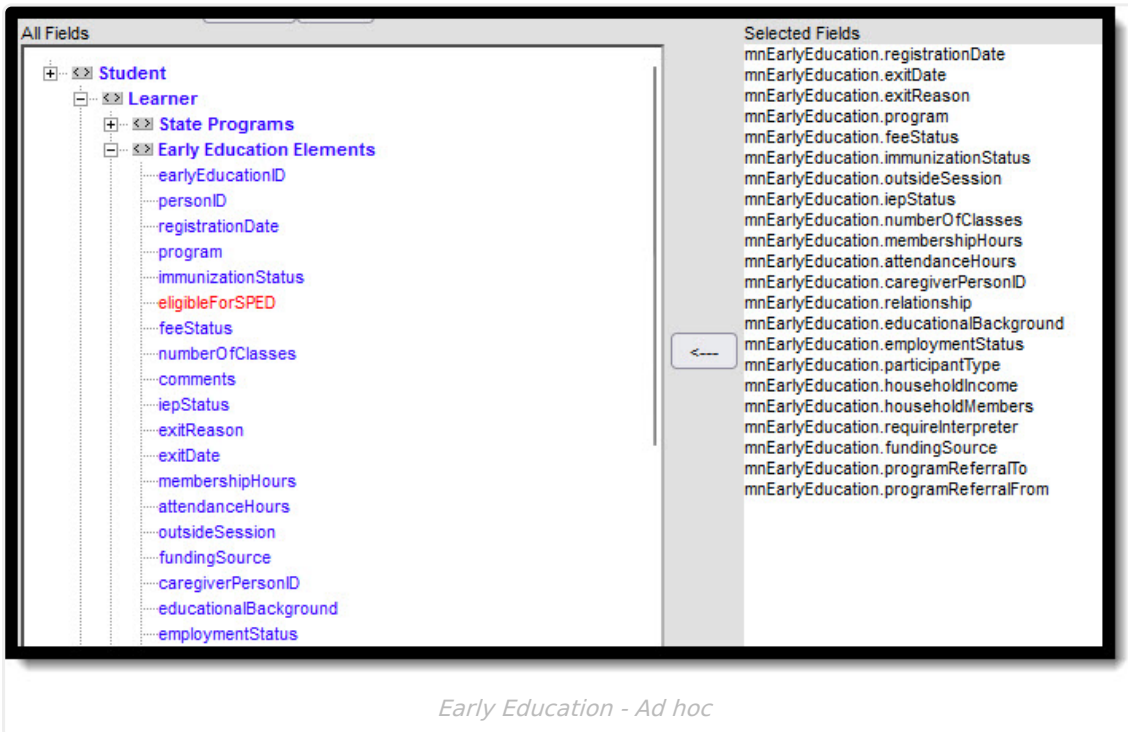

## Tool Rights

- Read** - Access and generate the report
- Write** - Modify field data and generate the report
- Add** - Refresh data and generate the report
- Delete** - Provides no function for this tool

The Tool Rights Outline Path for this tool is Student Information > State Programs > Early Education. For more information about Tool Rights and how they function, see this [Tool Rights](#) article.

## Early Education Ad hoc Fields

Early Education Ad hoc fields are located under Student > Learner > Early Education Elements.

Early Education - Ad hoc
