Valid State Competency Options | Logic

PATH: *Census > People > Credentials > Highly Qualified*

In order to properly report Highly Qualified Credential types in the IURC Staff Assignment Extract, the staff person must have a Highly Qualified Credential type and the VSC: State Competency option must be selected on the credential.

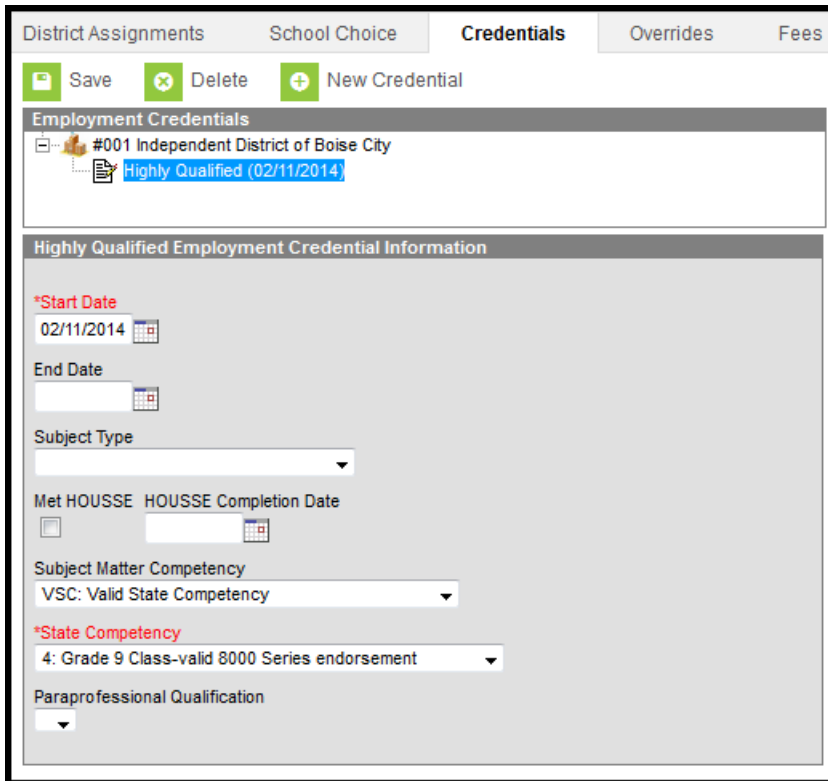

Image 1: State Competency Option

Valid State Competency Options

Code	Name
1	Special Education and Rural
4	Grade 9 Class-valid 8000 Series Endorsement
6	Graduate Degree in Core Subject Matter Area
9	State Approved Alternate Certification Program (ABCTE)
10	National Board for Professional Teaching Standards
11	Out-of-State Content Assessment or Official Letter

Code	Name

Logic

The following logic used when reporting this information in the IURC Staff Assignment Extract:

- Field 16, **Highly Qualified Date**:
  - If the record is for a Teaching Assignment and Field 14, Highly Qualified Teacher, reports as N, the date of the Expected Highly Qualified field will be reported.
  - If the record is for a non-teaching District Assignment and Field 14, Highly Qualified Teacher, reports as X, this field will report as blank.
- Field 15, **Qualification Method**:
  - If the record is for a non-teaching District Assignment or if the person reports N or X in Field 14 (Highly Qualified Teacher), this field will report as blank.
  - If the record is for a Teaching Assignment and Field 14, Highly Qualified Teacher, reports as Y, the Qualification Methods report as such:

Qualification Method Reports	Logic
1	- Met HOUSSE is selected - HOUSSE Completion Date is on or before July 1, 2008
1	- Subject Matter Competency = State Valid Credential - State Valid Credential = Special Education/Rural
2	- Subject Matter Competency = ACC - Staff has active Licensure/Certification of SPED Related Services Credential = OCCTHERAP
3	- Subject Matter Competency = ACC - Staff has active Licensure/Certification of SPED Related Services Credential = PHYSTHERAP
4	- Subject Matter Competency = State Valid Credential - State Valid Credential = Series 800 Endorsement
5	Subject Matter Competency = AMAJ or CEAM

Qualification Method Reports	Logic
6	- Subject Type = CORE - Subject Matter Competency = State Valid Credential - State Valid Credential Type = Graduate Degree - Staff has active Education Credential (date obtained before the last day of the date range and before the end date of the Highly Qualified Credential) - Education Level = M, MA, MS, MED, MBA, EDD, EDS, PHD, MD or PSD - Core Subject Area is the same as the Subject Area on the Highly Qualified Credential
7	- Subject Matter Competency = ACC - Staff has active Licensure/Certification with SPED Related Services Credential = SOCIALWORK
8	Subject Matter Competency = RSUB
9	- Subject Matter Competency = State Valid Credential - State Valid Credential Type = State Approved Alternative Certification Program (ABCTE)
10	- Subject Matter Competency = State Valid Credential Type - State Valid Credential Type = National Board for Professional Teacher Standards (Secondary)
11	- Subject Matter Competency = State Valid Credential - State Valid Credential Type = Out of State Content Assessment or Official Letter
