Search Terms: Test Accommodations

The **Test Accommodations Report** lists special accommodations and modifications provided for Special Education students, such as more time or more breaks, to complete tests.

The screenshot shows the 'Test Accommodations Report' page in the Infinite Campus system. At the top, there is a search bar and a breadcrumb trail: Student > Reports > Test Accommodations (WY). Below the title, a description states: 'The Test Accommodations Report lists special accommodations and modifications for Special Ed student, such as more time, or more breaks.' The main section contains several filters: 'Plan's Date Range (Required fields)' with 'Start Date' and 'End Date' (04/15/2020) dropdowns; a question 'Which students would you like to include in the report? (CTRL-click or SHIFT-click to select multiple)' with a list of students: 'All students', 'Pearson, Corbin (#20523)-06', and 'Wardell, Rex (#2148)-FK'; a 'Sort By' dropdown set to 'Student Name'; a checkbox for 'Print in HTML format'; and a 'Generate Report' button. Below the form, the text 'Test Accommodations Report' is displayed in a light grey box.

Report Logic

The report looks for locked IEPs that include a record in the State Assessments Editor. Data that exists for any student is returned if an active plan type is used.
