

# Accommodations Tool (Missouri)

Last Modified on 12/14/2025 8:45 pm CST

This tool is not compatible with any Plan print format after 2013.

## Tool Search: Accommodations

The Accommodation tool is used to add Accommodations options for a student's IEP on the Accommodations editor. Options available in the dropdown are prefilled, but this tool adds additional options.

The screenshot shows the 'PlanAccommodation Detail' window. It contains the following fields:

- \*Name:** Additional Time
- Form D Accommodation Area:** State Accommodations: Timing
- Accommodation Type:** State Accommodations
- State Code:** 0000
- Description:** (empty text area)
- Active:** A checked checkbox.

Accommodations Tool

1. Enter a **Name** for the plan accommodation.
2. Select the accommodation area from the **Form D Accommodation Area** dropdown.
3. Select an **Accommodation Type** from the dropdown.
4. Enter a **State Code**.
5. Enter a **Description**.
6. Mark the **Active** checkbox.
7. Click **Save**. The new Accommodation displays in the Accommodation dropdown on the Accommodations editor of the IEP.
