Tool Search: Ed-Fi Configuration

The Ed-Fi Configuration tool is used to establish Ed-Fi data resources.

The following describes how to enable the Class Periods resource for Ed-Fi reporting.

1. Set the Class Periods preference to **ON**.

The screenshot shows the 'Resource Preferences' interface. On the left is a navigation menu with 'Ed-Fi Configuration' selected. The main area displays a table of resources with their status (Active/Inactive) and an 'Edit' button. The 'Class Periods' resource is highlighted with a red box and is currently set to 'ON'.
