Tool Search: Household Payments

The Household Payments tool provides the option to remove the household member's access to [online payments](#). When this checkbox is marked, the person does not see the [Payments](#) area on the portal.

If you disable Online Payments, [recurring payments](#) set up by that person are automatically stopped.

Household members will only display on the Payments tab if they have [registered a payment method on the Portal](#).

The screenshot shows a list of household members with toggle switches to enable online payment accounts. The members are: Abegg, Colton; Abegg, Glissa-Jean A; Abegg, Ryo W; Abegg, Harrison; and Abegg, Lillian. All toggle switches are set to 'ON'.
