Classic View: [Census](#) > [Household](#) > [Payments](#)

Search Term: Fees

The Payments tab provides the option to remove the household member's access to [online payments](#). When this checkbox is marked, the person does not see the [Payments](#) area on the portal.

If you disable Online Payments, [recurring payments](#) set up by that person are automatically stopped.

Household members only display on the Payments tab if they have [registered a payment method on the Portal](#).
