This documentation applies to both versions of Online Registration, with limited functionality for the non-Prime version.

Tool Search: Online Registration

This document provides information on entering parent/guardian information into an Online Registration application within the Portal. Parents and guardians are those individuals that have legal authority and make decisions on behalf of the student(s). Click the **Add New Parent** button to begin.

Parent/Guardian Information

Existing Parents/Guardians cannot be removed from an annual update application. Contact the school for guardian changes.

For returning students, the parent/guardian on file displays. If there is information that is missing, the name is highlighted. To make changes and complete the missing fields, click a highlighted parent/guardian. To add a new parent/guardian, click the **Add New Parent/Guardian** button.

The screenshot shows a progress bar at the top with six steps: 1. Student(s) Primary Household (checked), 2. Parent/Guardian (highlighted with a red exclamation mark), 3. Emergency Contact, 4. Non School-Aged Children, 5. Student, and 6. Completed. Below the progress bar, a note states: "* Indicates a required field".

The main section is titled "Parent/Guardian" and contains the instruction: "To add a parent click the button below (header)." Below this is a table with the following data:

FIRST NAME	LAST NAME	GENDER	RECORD TYPE	COMPLETED
Ann	Parent		New	INCOMPLETE

Below the table is a button labeled "Add New Parent/Guardian". Below the button is the instruction: "To add a parent click the button above (footer)." At the bottom of the form, there is a note: "Please list all primary and secondary Parent/Guardians in this area, including step parents if applicable." and two buttons: "< Back" and "Save/Continue".

A display grid may appear in all OLR person sections that shows the people in the other sections of the OLR application. This is to remind parents/guardians to not create those people again.
