This documentation only applies to the Online Registration Prime version.

Tool Search: Document Upload

The Document Upload functionality for Online Registration allows for a district to choose where the uploaded documents will be uploaded to within Infinite Campus once the application is approved and posted.

These are the four default document upload options that Infinite Campus has created for districts:

- Immunization record
- Transcript/Report Card
- Proof of Residency (i.e. Utility Bill)
- Birth Certificate.

A document such as a utility bill will be uploaded for each student in the application upon posting.
