

Household Information

Last Modified on 03/31/2025 11:06 am CDT

This documentation applies to both versions of Online Registration.

Tool Search: Online Registration

Household data includes the home phone number, home address and mailing address (if different than the home address).

For those who are enrolling returning students, existing information for home phone and address will display. Instructions are provided for changing the information.

See the Household Information Tool Rights article for information about rights needed to use this tool.

Primary Phone

- 1. Enter the 10-digit **Primary Phone Number**. If there is no home phone number, enter the parent/guardian's contact phone number who is most likely to respond to calls from the school.
- 2. Mark the **Contact Preferences** as desired. Definitions for each option are available.
- 3. Click the **Next** button when finished.

If the phone number needs to be changed, enter the new one in the appropriate fields and review the marked Contact Preferences.

Home Address

Infinite 📹

The Home Address is considered the location of the household. In some instances, the home address is not the mailing address but only the physical location of where the family abides.

- 1. Enter the requested **Address** fields. The entry is dynamic and the information entered will display at the same time it is being typed. Definitions for these fields are available in the Address Fields table.
- 2. Click the **Next** button to enter Mailing Address information.

If the current address is incorrect, mark the **The home address listed is no longer current** checkbox. This displays a field to enter the date when the new address became current and displays address fields to enter the new address information.

Previous Home and Mailing Addresses display with the end date, if applicable.
