Report String Bank

Last Modified on 10/09/2026 9:26 am CDT

This functionality is available to districts that have purchased the Report Translation Module as an add-on service. For more information, contact the appropriate Client Relationship Manager.

Tool Search: Report String Bank

The Report String Bank allows the district staff to provide translation or provide additional clarification for options visible on the Custom Report Cards and Transcripts. Options available are based on the active languages created in the Language Groups tool and the parent's/guardian's selected language of choice.

Field	Description
Description	A description of the translation.
Translation	The translated text.
Original String	The original text.
Font Size	Adds to the Font Size set in the Custom Reports tool.
Font/Weight	Sets the font to Bold or Normal.
