

Foster Care Tab (Kentucky)

Last Modified on 03/11/2024 8:44 am CDT

PATH: *Student Information > Program Participation > Foster Care*

The Foster Care tool is used to indicate whether a student is in Foster Care. A start and end date is associated with each instance of a Foster Care record. These records are not tied to student enrollments or calendars.

See the core [Foster Care](#) article for information on necessary tool rights, available Ad hoc fields, and guidance on adding and printing Foster Care records.

Create a New Foster Care Record

To create a new Foster Care record for a student, click the **New** icon. See the details below for additional steps and information on filling out the new record.

Image 3: Creating a New Foster Care Record

To Create a Foster Care Record:

1. Click the **New** icon. A **Foster Care Detail** editor displays.
2. Enter the student's **Start Date** for Foster Care.
3. Enter the **School of Origin** for the selected student.
4. Enter any **Comments** related to the student's Foster Care record.
5. If applicable, enter information for state-specific and district-specific Foster Care fields (see the table below for more information about these fields).
6. Click the **Save** icon when finished. The new record is visible in the Foster Care Editor.

To modify a Foster Care record, select it from the editor and enter the new information (end date, new comments, etc.).

When a student moves out of Foster Care, edit the record and enter an **End Date**.

If a record was entered in error, click the **Delete** icon to completely remove it.

Publish Foster Care Records from a State Edition to a District Edition

PATH: *Program Admin > Federal Programs Publishing*

Foster Care records can be published for an individual student from a State Edition to a District Edition using the [Federal Programs Publishing](#) tool. This tool is only available to State Edition users.

Federal Programs Publishing

The Federal Programs Publishing tool allows State Edition users the ability to publish records for federal programs to District Editions within the state. Users must have statewide access and publish rights for the federal program in order to publish federal programs. Users need to select the program(s) to publish and select whether to publish all records for the selected program(s) or only records that have changed since the last publish. Once programs have been published, federal program records are created at the district level.
