Inventory On Hand

Last Modified on 08/17/2026 9:06 am CDT

Tool Search: Inventory on Hand

The Inventory On Hand Report provides a complete list of items you have available for sale at this point in time. The report includes the Product Name, SKU, and Quantity on Hand.

This report includes only products with the **Inventory Tracking** option selected.

See the School Store Reports Tool Rights article for information on available tool rights.
