

Non-Binary Gender Reporting (CA)

Last Modified on 12/14/2025 8:45 pm CST

Schools can assign students a gender of M: Male, F: Female, X: Non-binary. This is done on the [Identities](#) tool and/or the [Demographics](#) tool.

CALPADS Extracts use the Legal Gender field included in the Protected Identity Information to report student and staff identity information.

To record a gender of X: Non-binary, on the Identities tool:

1. Assign the **Gender of X: Non-Binary** in the standard identify fields.
2. Assign the **Protected Identity Information Legal Gender** of M: Male, F: Female, or X: Non-binary.
3. Save the record when finished.
