[Step 1 - Create Activity](#) | [Step 2 - Build Roster](#) | [Step 3 - Form Selection](#) | [Step 4 - Link to Portal](#) | [Step 5 - Finish](#) | [Submit an Activity Request for Preapproval](#)

Use the Activity Monitor tool to add new activities to Campus.

## Before You Begin

- Add supplemental Activity Registration documents in the [Custom Forms](#) tool.
- Create an [Ad Hoc](#) filter for selecting eligible students.

This article walks you through the setup process step-by-step.

- [Step 1 - Create Activity](#)
- [Step 2 - Build Roster](#)
- [Step 3 - Form Selection](#)
  - [Declining a Signed Form](#)
- [Step 4 - Link to Portal](#)
- [Step 5 - Finish](#)
- [Submit an Activity Request for Preapproval](#)

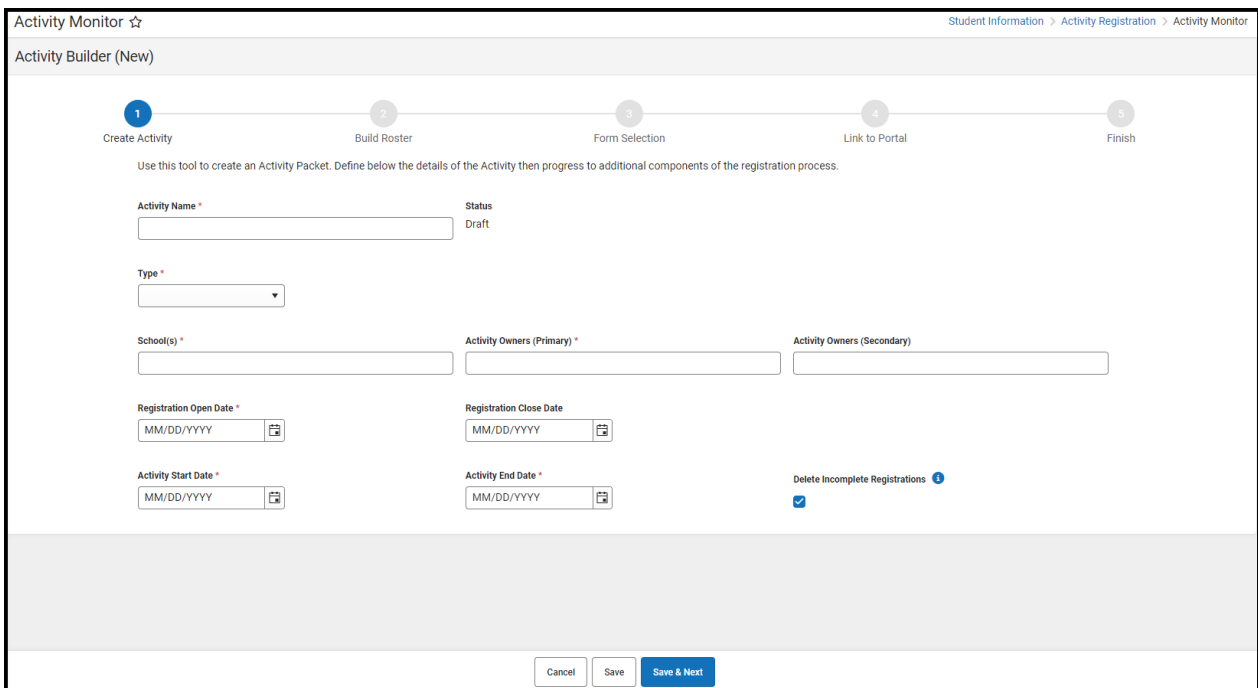

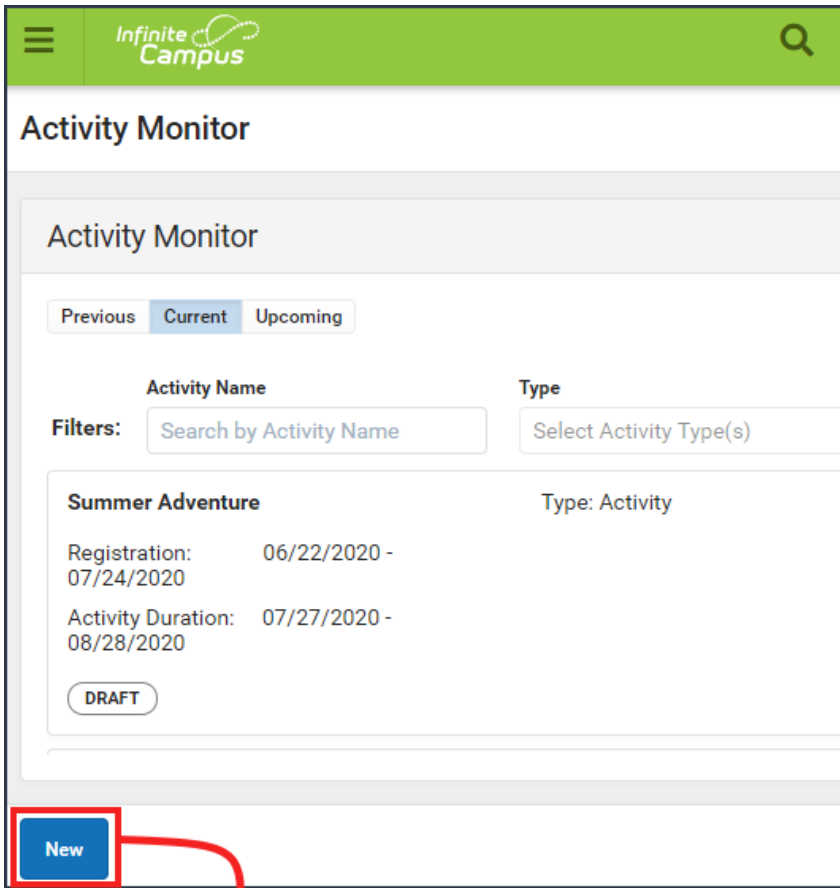

## Tip

While using the Activity Builder, click **Save & Hold** to save the activity and return to the Activity Monitor. Click **Save & Next** to continue to the next step in the Activity Builder.

## Step 1 - Create Activity

The first step in the Activity Builder is to define the parameters for the activity. To add an activity, click the **New** button in the action bar.

<b>Registration Open Date</b>	<p>The first day the Activity is displayed in the School Store and people can register for the Activity. The date must be before the Activity Start Date and Registration Close Date. <i>This is a required field.</i></p>

Field	Description
<b>Registration Close Date</b>	The last day on which the Activity is displayed in the School Store. The date must be after the Registration Open Date and prior or equal to the Activity End Date. If you do not enter a date, Campus automatically uses the Activity End Date.
<b>Activity Start Date</b>	The date on which the Activity begins. The date cannot be before the Registration Open Date or after the Activity End Date. <i>This is a required field.</i>
<b>Activity End Date</b>	The date on which the Activity ends. The date cannot be before the Activity Start Date or Registration Close Date. <i>This is a required field.</i>
<b>Delete Incomplete Registrations</b>	When turned on, this setting will automatically delete activity registrations on the day after an activity ends if those registrations have been started without completing the purchase and the student never participated in the activity.

Use the following field descriptions to complete the Build Roster screen.

Field	Description
<b>School(s)</b>	This field displays the school(s) that were selected in Step 1 - Create Activity.

Field	Description
<p><b>Ad Hoc Filter</b></p>	<p>The Ad Hoc filter for selecting eligible students. Campus only allows students who are included in the Ad Hoc filter and have an active enrollment in the school(s) associated with the activity to register for the activity. <i>This is a required field.</i></p>
<p><b>Preview</b></p>	<p>Click this button to preview roster information in a side panel. The panel displays an estimate of the total number of students listed by school then provides the student's names. If a student has multiple enrollments and Campus cannot identify the primary enrollment, an asterisk (*) displays behind the student's name.</p> <p>Use the <b>Preview Future Enrollments</b> checkbox to allow you to see who would be included if you choose to enable <b>Include Future Enrollments</b> under <b>Eligibility</b> on step 4 of the builder. Students with an applicable future enrollment will be added to the preview if their enrollment falls within the <b>Days from Registration Close Date</b>. These students will display with the status of Future. To refresh the preview with updated results, click <b>Generate</b>.</p> <div data-bbox="400 929 1422 1093" style="border: 1px solid #ccc; padding: 10px; background-color: #f9e7e7;"> <p><b>IF</b> your district includes a school in its Ad hoc filter, verify the <b>same</b> school is selected on <a href="#">Step 1 - Create Activity</a>. On the left, the 'Build Roster' step is active, showing 'School(s): Harrison High' and 'Ad Hoc Filter: All High School Students'. A red box highlights the 'Preview' button. An arrow points from this button to the 'Preview Participants' panel on the right. This panel shows 'Ad Hoc Filter: All High School Students', a 'Preview Future Enrollments' checkbox (unchecked), and an 'Estimated Total: 954'. Below this, a list of students is shown for 'Harrison High', including names and IDs like 'Abegg, Dylan, V. (#171900001), [M]'.</p> </div>

## Step 3 - Form Selection

Adding a form is optional.

Select the appropriate forms for registration and indicate whether the form is considered required.

Once a form has been assigned out, it can no longer be edited for the Activity.

Soccer club is for students who want to play more than just the regular season or students who are new to the sport.

Use the following field descriptions to complete the Link to Portal screen.

Field	Description
<b>Category Information</b>	
<b>Category</b>	Categories are how similar products are grouped together in the store. When a portal user selects a category, only the products assigned to that category display. <i>This is a required field.</i> See the <a href="#">Categories (School Store)</a> article for more information about managing categories.
<b>Product Information</b>	
<b>Product Name</b>	The name that displays in the store. <i>This is a required field.</i>

Field	Description				
<p><b>Product Type</b></p>	<p>Product Types are assigned to products and to <a href="#">Fund Accounts</a>. When a product is purchased, funds are deposited into the bank associated with the Fund Account that is assigned to the same Product Type. Product Types are set up in the School Store: <i>System Administration &gt; School Store &gt; Product Types</i>.</p> <p><i>This is a required field.</i></p>				
<p><b>Active</b></p>	<p>When this checkbox is marked, the product displays on the School Store. However, if this checkbox is not marked, the product is not available even if registration is currently open. This checkbox is most useful for troubleshooting issues in the School Store. If the Category associated to the activity is inactivated, this checkbox is automatically unmarked.</p> <div data-bbox="432 703 1422 831" style="background-color: #fff9c4; padding: 10px; border: 1px solid #ccc;"> <p>The Active checkbox does NOT display when the Activity is in a Draft or Cancelled status.</p> </div> <p><a href="#">▶ Click here to expand...</a></p> <div data-bbox="432 943 1134 1424" style="border: 1px solid #ccc; padding: 10px;"> <p><b>Category Information</b></p> <p><b>Categories</b> Athletics (Willmar Senior High)</p> <p><b>Product Information</b></p> <table border="0" style="width: 100%;"> <tr> <td style="width: 60%;"><b>Product Name</b></td> <td><b>Product Type</b></td> </tr> <tr> <td>LaCrosse Club</td> <td>Athletics</td> </tr> </table> <p><b>Active</b> <input checked="" type="checkbox"/></p> <p><b>Restrict to Associated School Enrollments</b> <input checked="" type="checkbox"/></p> </div>	<b>Product Name</b>	<b>Product Type</b>	LaCrosse Club	Athletics

This description appears below the picture of the product.</p> <div data-bbox="432 1603 1422 1805" style="background-color: #e8f5e9; padding: 10px; border: 1px solid #ccc;"> <p><b>Tip</b> Use this area to provide more information about the activity like meeting times, locations, and contact information. You could also provide special instructions such as how to turn in the forms.</p> </div>				
<p><b>Customer Comments</b></p>	<p>When this checkbox is marked, customers can add information to their purchase before they check out.</p>				
<p><b>Eligibility</b></p>					

Field	Description
<b>Restrict to Associated School Enrollments</b>	<p>When this checkbox is marked, the Recipient dropdown list will only display students who have an enrollment in the active school year at the school to which the activity is attached. This includes primary, secondary, and enrollments with a future end date.</p> <p><b>Example</b> If you have an Activity attached to the High School only and this checkbox is marked, parents will only be able to select their student(s) with primary and secondary High School enrollments in the active school year as well as enrollments with a future end date. Please note that if the same Activity is associated with multiple schools; e.g., a middle school and a high school, parents can select both middle and high school students in both stores.</p>
<b>Include Future Enrollments</b>	<p>When this checkbox is marked, this will allow users to look ahead for future enrolled students that also meet the criteria of the Ad Hoc filter from Step 2.</p> <div style="background-color: #e1f5fe; padding: 10px; border: 1px solid #cfe2f3;"> <p>Restrict to Associated School Enrollments must be selected to use Include Future Enrollments.</p> </div>
<b>Days from Registration End Date</b>	<p>The number of days (between 1 and 365) into the future that enrollments can be viewed.</p>
<b>Associated Costs</b>	
<b>Track Limits</b>	<p>Mark this checkbox if you want to track the number of openings or items you have available or if you want to cap the number of students allowed to enroll. When this checkbox is marked, Campus calculates the amount of inventory you have available after a purchase is made through the School Store. Marking this checkbox enables the <b>Inventory Limit</b> field and makes it required.</p> <p>Do NOT mark this checkbox if you do not want to limit the number of registrations that can be sold.</p>
<b>Partial Refunds</b>	<p>When this checkbox is marked, partial refunds can be issued in the <a href="#">Payments Reporter</a> for the activity. If this <b>Partial Refunds</b> checkbox is marked and the <b>Track Limits</b> option is also selected, the <a href="#">Payments Reporter</a> will allow you to increase the number of available openings or items when you make a partial refund.</p>
<b>Item Name</b>	<p>The Product Name automatically displays here but can be changed. <i>This is a required field.</i></p> <p>If more than one option is available for users to select, this is the name of the option that displays under the Product in the School Store.</p>
<b>Selling Price</b>	<p>The price customers see and pay in the School Store. The price can be \$0.00. <i>This is a required field.</i></p>

Field	Description																		
<b>Reduced Price</b>	<p>The price students with Reduced eligibility status whose guardians have given permission to share it with School Store the pay and see. The price can be \$0.00.</p> <p>To use this feature, the <b>Allow Free and Reduced Pricing</b> checkbox must be marked in the <a href="#">School Store</a> setup.</p>																		
<b>Free Price</b>	<p>The price students with a Free eligibility status whose guardians have given permission to share it with the School Store pay and see. The price can be \$0.00.</p> <p>To use this feature, the <b>Allow Free and Reduced Pricing</b> checkbox must be marked in the <a href="#">School Store</a> setup.</p>																		
<b>Inventory Limit</b>	<p>This field is only available if you marked the <b>Track Limits</b> checkbox. Enter the maximum number that may be purchased. Once this number is reached, the product does not display in the School Store. If you process a refund during registration, Campus returns the inventory for purchase. If a student is manually registered for an activity within the <a href="#">Activity Roster</a> and the Option Purchased is set to an item with an inventory limit, it will affect Inventory Limits. <i>This is a required field when tracking limits.</i></p>																		
<b>Add</b> (button)	<p>Click the <b>Add</b> button to add another item that may be purchased for this product. In the following example, an option was added that includes an activity bus.</p> <div data-bbox="429 1095 1417 1411" style="border: 1px solid black; padding: 10px;"> <p><b>Associated Costs</b></p> <p>Track Limits <input checked="" type="checkbox"/></p> <table border="1"> <thead> <tr> <th>Item Name*</th> <th>Selling Price*</th> <th>Reduced Price</th> <th>Free Price</th> <th>Inventory Limit*</th> <th></th> </tr> </thead> <tbody> <tr> <td>Lacrosse Club</td> <td>\$100.00</td> <td>\$50.00</td> <td>\$25.00</td> <td>30</td> <td><a href="#">Remove</a></td> </tr> <tr> <td>Lacrosse Club with Activity Bus</td> <td>\$120.00</td> <td>\$65.00</td> <td>\$25.00</td> <td>30</td> <td><a href="#">Remove</a></td> </tr> </tbody> </table> <p><a href="#">Add</a></p> </div>	Item Name*	Selling Price*	Reduced Price	Free Price	Inventory Limit*		Lacrosse Club	\$100.00	\$50.00	\$25.00	30	<a href="#">Remove</a>	Lacrosse Club with Activity Bus	\$120.00	\$65.00	\$25.00	30	<a href="#">Remove</a>

<b>Receipt Comments</b>	<p>This field allows you to enter comments or special instructions that you want on the customer's receipt. For example, you could add reminders for event times, meeting places, or what to bring.</p>																		

## Step 5 - Finish

Review the Activity Registration product display for the Campus School Store and validate the appropriate Custom Forms are attached. Click **Finish** to complete the process. After you click Finish, the Activity is in a **Ready** or **Registration Open** status. Editing is limited when an activity is in a **Registration Open** status. Most fields cannot be changed.

When the **Finish** button is unavailable, you can **NOT** complete this step because your activity

requires preapproval.

## Submit an Activity Request for Preapproval

If your activity requires preapproval before it can be created, a yellow banner displays under the progress tracker after *Step 1. Create Activity* or it displays on the Proposed tab with the status

*Preapproval Required - Proposal.* You can submit your activity request for preapproval at any time but the activity must be approved before you can complete [Step 5. Finish](#).

1. Click the **Preapproval** link in the banner.

**Result:** The Preapproval panel displays.

▶ [Click here to expand...](#)

2. Click the links for the **Preapproval Form(s)** (there may be more than one), fill in the required fields, and then click **Save** in the action bar. Repeat this step for each form.

**Result:** The status changes to **Pending**.

3. Click **Submit**.

**Result:** The form status changes to **Submitted** and the **Submit** button changes to **Rescind**.

4. Click **Close** to close the panel and return to the activity.

**Result:** The activity status changes to **Preapproval Pending - Proposal**. You can continue setting up your activity or click **Cancel**. Campus saves your activity and changes color the color of the forms alert based on the preapproval status.
