

# Technical Information - Release Pack Campus.2028

Last Modified on 08/18/2021 10:32 am CDT

[Data Definition Language Scripts \(DDL\)](#) | [New Tables](#) | [Modified Tables](#) | [Data Manipulation Language Scripts \(DML\)](#)

These cases are included in the [Campus.2028 release pack](#).

## Data Definition Language Scripts (DDL)

This section lists data structures that were created, altered, or dropped, based on the vocabulary used to define data structures in SQL Server.

### New Tables

| Case Number | Table                          | Description   |
|-------------|--------------------------------|---|
| SIS-137158  | ALPSS                          | State program ALPSS.  |
| SIS-137158  | ALPSSAfterCare                 | Aftercare records for ALPSS program records.  |
| SIS-137158  | ALPSSReasonUnsuccessful        | Saves multiselect droplist for ALPSS table.   |
| SIS-137158  | ALPSSTransitionPath            | Saves multiselect droplist for ALPSS table.   |
| SIS-136967  | Activity                       | The starting point of an activity, athletics or field trip that can be registered from the school store, or assigned to students.                                       |
| SIS-136967  | ActivityOption                 | The associated elements of an activity, such as what forms are associated to this activity.   |
| SIS-136967  | ActivitySchool                 | The associated schools for the activity. activities can be across multiple schools.   |
| SIS-136967  | ActivitySection                | An individual time frame for an instance of an activity. such as monday/wednesday vs tuesday/thursday athletic practice.  |
| SIS-136967  | ActivitySectionRoster          | Holds the people that are enrolled in the corresponding activity section. also keeps track of the status of the enrolled people.  |
| SIS-136967  | ActivitySectionStaff           | Keeps track of which staff members are involved with the specific activitysections. like mr. johnson is primary on section 1 and mrs. thompson is primary on section 2. |
| SIS-138055  | BlendedLearningGroup           | Table used in to create groups that students are assigned to and then assigned to days. used originally for social distancing.  |
| SIS-138055  | BlendedLearningGroupAssignment | Table that links a student to a BendedLearningGroup.  |
| SIS-138055  | BlendedLearningGroupRemoteDay  | Table that links a calendar day with a BlendedLearningGroup.  |
| SIS-137158  | CustomALPSS                    | Custom data for ALPSS records.  |
| SIS-134201  | ESignature                     |   |

| Case Number | Table                | Description |
|-------------|----------------------|-------------|
| SIS-134201  | ESignatureContactLog |             |
| SIS-134201  | FormESignature       |             |

## Modified Tables

Added

### Added

| Case Number | Table                | Column                    | Type        | Description  |
|-------------|----------------------|---------------------------|-------------|--|
| SIS-137311  | BehaviorResolution   | inconsistentCodeOfConduct | bit         | Indicates if the resolution the behavior event was inconsistent with the school's code of conduct  |
| SIS-135583  | DataValidationDef    | owner                     | varchar(50) | Holds the owner such as state, district, system or support   |
| SIS-135583  | DataValidationGroup  | owner                     | varchar(50) | Holds the owner such as state district system or support   |
| SIS-137587  | District             | districtEditionType       | varchar(15) | Mt state code list to indicate if a district is a full campus district edition site or a Montana edition district site   |
| SIS-137311  | EmploymentAssignment | additionalDaysProgram     | bit         | Indicates if the staff member teaches during a additional days program   |
| SIS-134180  | EmploymentCredential | healthLicense             | varchar(15) | A field to indicate the license or title of a health staff person. the code will append to the staff name when the staff person has health checked on their district assignment. |
| SIS-133307  | EnrollmentNE         | secondarySchool           | int         | Used by EN Ed-Fi to override a school for a given enrollment on the student school association and attendance resources.   |
| SIS-137311  | EnrollmentTX         | additionalDaysProgram     | bit         | Indicates if the student is enrolled in an additional days program   |

| Case Number       | Table        | Column                  | Type          | Description  |
|-------------------|--------------|-------------------------|---------------|--|
| <b>SIS-137311</b> | EnrollmentTX | adultPreviousAttendance | bit           | Indicates whether an adult student (age 18-25) has attended school in the previous nine months prior to enrolling. |
| <b>SIS-137892</b> | Evaluation   | assessmentCategory      | varchar(500)  | AZ Ed-Fi field.  |
| <b>SIS-137892</b> | Evaluation   | ratingParticipant4      | tinyint       | Speech/language pathologist involved in IL-COSF rating.  |
| <b>SIS-137892</b> | Evaluation   | assessmentOutcome       | varchar(500)  | AZ Ed-Fi field.  |
| <b>SIS-137892</b> | Evaluation   | ratingParticipant3      | tinyint       | Psychologist or social worker involved in IL-COSF rating.  |
| <b>SIS-137892</b> | Evaluation   | ratingParticipant1      | tinyint       | Coordinator, lea representative or administrator involved in COSF rating.  |
| <b>SIS-137892</b> | Evaluation   | ratingParticipant5      | tinyint       | Another related service provider (e.g. ot/pt) involved in IL-COSF rating.  |
| <b>SIS-137892</b> | Evaluation   | ratingParticipant2      | tinyint       | Early childhood teacher involved in IL-COSF rating   |
| <b>SIS-133966</b> | Fee          | showForStudents         | bit           | Indicates if the fee can be shown on campus student  |
| <b>SIS-133966</b> | Fee          | showForParents          | bit           | Indicates if the fee can be shown on campus parent.  |
| <b>SIS-134201</b> | Form         | requireGuardianES       | bit           | This form requires guardian esignature.  |
| <b>SIS-134201</b> | Form         | requireStudentES        | bit           | This form requires student esignature.   |
| <b>SIS-134201</b> | FormDocument | requireGuardianES       | bit           | Does this form require guardian esignature? it must be shown on campus parent                                      |
| <b>SIS-134201</b> | FormDocument | requireStudentES        | bit           | Does this form require student esignature? it must be shown on campus student                                      |
| <b>SIS-137161</b> | Gifted       | parentDecision          | varchar(15)   | The code representing the decision that the parents made regarding gifted services                                 |
| <b>SIS-137161</b> | Gifted       | parentDecisionDate      | smalldatetime | The date the parent made relevant decisions regarding gifted services  |

| Case Number | Table                  | Column                        | Type          | Description   |
|-------------|------------------------|-------------------------------|---------------|---|
| SIS-137161  | Gifted                 | exitReason                    | varchar(15)   | The exit reason of the gift services  |
| SIS-137161  | Gifted                 | subjectAreaOther              | varchar(100)  | The subject area of the gifted services when one not defined by another fie                             |
| SIS-137161  | Gifted                 | programArea                   | varchar(15)   | The program area of the gifted record   |
| SIS-137161  | Gifted                 | status                        | varchar(15)   | The status of the gifted record   |
| SIS-137161  | Gifted                 | completedByName               | varchar(50)   | The name of the individual that completed the form  |
| SIS-137161  | Gifted                 | identifiedDate                | smalldatetime | The date the student was identified as gifted   |
| SIS-137161  | Gifted                 | subjectArea                   | varchar(15)   | The subject area of the gifted services   |
| SIS-137161  | Gifted                 | contactTime                   | varchar(15)   | The contact time expected for the gifted services. (no unit is assumed)                                 |
| SIS-138023  | GradingTaskAssociation | imported                      | bit           | Whether the association was created via case import   |
| SIS-136791  | Graduation             | postSecondaryInstitution2BIE  | varchar(100)  | BIE post graduation institution   |
| SIS-136791  | Graduation             | postSecondaryInstitution1BIE  | varchar(100)  | BIE post graduation institution   |
| SIS-136791  | Graduation             | postSecondaryInstitution3BIE  | varchar(100)  | BIE post graduation institution   |
| SIS-137311  | GraduationSeal         | IBCExamFee                    | numeric       | Indicates the amount paid for the certification exam  |
| SIS-137311  | GraduationSeal         | IBCVendor                     | varchar(5)    | Indicates the vendor that administered the certification exam   |
| SIS-136967  | Product                | subSystemType                 | varchar(15)   | Where this product originated from; school_store, activity, food_service or fixed_assc                  |
| SIS-137773  | SEPStateReportedData   | homeCommunicationMethodString | varchar(100)  | The name value of the associated homecommunicationmethod campus attribute code for historical purposes. |
| SIS-137773  | SEPStateReportedData   | homeCommunicationMethod       | varchar(15)   | The code value of the homecommunicationmethod campus attribute for historical purposes.                 |
| SIS-137311  | SchoolAttribute        | additionalDaysProgram         | bit           | Indicates if the school offers an additional days program   |

| Case Number | Table                | Column                  | Type        | Description   |
|-------------|----------------------|-------------------------|-------------|---|
| SIS-133231  | TeamMember           | suffix                  | varchar(50) | Indication of Jr, Sr, III, IV, etc.   |
| SIS-137311  | Truancy              | complaintFile           | bit         | Indicates complaint file status   |
| SIS-137311  | Truancy              | preventionMeasure       | bit         | Indicates prevention measure status   |
| SIS-138681  | WebConferenceMeeting | recordingDurationMillis | int         | Duration of the recording milliseconds.   |
| SIS-138681  | WebConferenceMeeting | disableMics             | bit         | Flag indicating if microphones of attendees will be disabled when meeting starts. |
| SIS-138681  | WebConferenceMeeting | durationMinutes         | int         | Duration of the meeting in minutes.   |

## Data Manipulation Language Scripts (DML)

This section lists scripts to add, modify, query, or remove data from a SQL Server database.

| Case Number | State | Description  |
|-------------|-------|--|
| SIS-138484  |       | Triggered POSAccount Reindex                                 |
| SIS-138445  |       | Set TryNewLookOptInMode to ALL USERS                         |
| SIS-134201  |       | New override toolright for eSignatures new version           |
| SIS-138023  |       | Set imported field for CASE imported GradingTaskAssociations |
| SIS-132817  | ME    | Updated SPED Service List                                    |
| SIS-137800  | KY    | Conversion of BehaviorResolution schoolDaysDuration update   |
| SIS-135583  |       | Added owner columns to DV tables                             |
| SIS-134201  |       | New override toolright for eSignatures                       |
| SIS-134201  |       | Inserted Document Requires ESignature Notification Event     |
| SIS-138363  |       | Updated CDR quartz job group                                 |
| SIS-138311  |       | Reverted CourseSection ESO SectionPlacement SQL changes      |
| SIS-137641  |       | Added Course Master Tool Rights                              |
| SIS-138077  |       | Reindex triggered for Household                              |
| SIS-137852  |       | Generated User Accounts for OAuth2 Clients                   |
| SIS-135583  |       | Added System Group with direct sql rules                     |
| SIS-134969  |       | Set compatibility mode                                       |
| SIS-135583  |       | Added Quartz Job For Data Validation                         |
