The Adult Ed Report collects demographic and progress information for adult education students for district funding. This report aggregates data to track the progress/outcome of students across age, gender, race/ethnicity, and EL status. It also tracks assessment scores, credits earned, and program attendance.

*Adult Ed Report Editor*

## Report Logic

- The report can be run against a district’s active year and any prior year.
- The report can be run in District and State Editions.
- This report includes Adult Ed records active within the schools selected as of the Effective Date selected on the extract editor.
- Only students with primary enrollments within the schools selected are counted.
- Primary Enrollment and Adult Ed records must be active as of the Effective Date selected on the extract editor.
  - For a student to be included in the report, the Adult Ed record must be assigned to the same school year as the Enrollment.
- Students are omitted if their:
  - Enrollment record is marked as State Exclude; or

- Enrollment record is marked as No Show; or
- Grade Level of enrollment is marked as State Exclude; or
- Calendar of enrollment is marked as State Exclude.

Option	Description
<b>Calendar Selector</b>	Selected calendar indicates which students will be included in the report. Multiple calendars can be selected at one time; it is recommended that all calendars in a district not be selected as this will increase the amount of time it takes to generate the extract. The calendar chosen in the Campus toolbar is already selected.
<b>Ad Hoc Filter</b>	Selection includes only those students included in the filter.
<b>Generate Extract</b>	<b>Displays the selected calendar information and extracts it immediately for review and printing in the selected format.</b>
<b>Submit to Batch Queue</b>	Delays the extract generation to a designated time. See the <a href="#">Batch Queue</a> article for more information.
