Tool Search: Homeless

The Homeless tool records basic homeless information as well as district-defined fields. The list of homeless records is sorted by Start Date. This information reports in the [Student Demographics](#) and the [IPST Overwrite](#) extracts.

Homeless status can be assigned to a student at any point of the enrollment period. If a student is determined Homeless at any point in the school year, the student will report as Homeless for the entire enrollment period. The amount of time the student is deemed homeless is not considered.

The screenshot shows the 'Homeless Editor' interface within the Infinite Campus system. At the top, there's a green header with the Infinite Campus logo. Below it, the title 'Homeless' is followed by a star icon and a breadcrumb trail: 'Student Information > Federal Programs > Homeless'. A toolbar contains icons for 'New', 'Save', 'Delete', and 'Print Summary Report'. The main area is divided into two sections. The top section, 'Homeless Editor', has a table with columns: 'Primary Night Time Residence', 'Homeless', 'Start Date', and 'End Date'. The bottom section, 'Homeless Detail', contains several dropdown menus and date fields. The 'Primary Night Time Residence' dropdown is set to '01: Shelters/Transitional Living'. The 'Cause of Housing Crisis' dropdown is set to '00: N/A'. The 'Homeless' dropdown is set to '3: Physical Custody of Parent/Guardian'. The 'Additional Cause of Housing Crisis' dropdown is set to '05: Pandemic'. The '*Start Date' field is set to '06/17/2021' and the 'End Date' field is empty. The 'District Defined Elements' section is at the bottom.
