# Technical Information

See the Technical Information - Release Pack Campus.2036 article for a list of schema changes in this release.

# Academic Programs

Academic Programs– Students can be assigned the same program multiple times (SIS-130905)

Academic Program validation logic has been updated to allow the same academic program to be assigned multiple times to a student when start and end dates do not overlap. Progress monitoring, course plan requirements, alerts and program reports will continue to only look at current programs where an end date does not exist or the end date is dated with a future date.

# Activity Registration

Activity Registration Updates (SIS-139836) **[Enhancement]**

The following updates were made to Activity Registration.

- Added the ability to manually add students to an Activity Roster if they are enrolled in the school associated with the activity.
- Added the ability to remove students that were manually added from an Activity Roster.
- Added the option to remove an activity from the Activity Monitor by deleting or cancelling the activity.
- Product Description and Special Instructions fields can now be updated until registration is closed.
- The Activity Image on "Step 4 - Link to Portal" on the Activity Builder can be updated through the Registration status.
- The Activity Primary and Secondary Owners can now be updated until the activity is in a Closed status.
- Miscellaneous cosmetic and performance improvements were made for an improved user

experience.

# Blended Learning

Ad hoc Reporting - Blended Learning Term Summary View (SIS-139036) **[Enhancement]**

New Blended Learning views have been added to the Query Wizard for the Student Data Type and the Course/Section Data Type.

For the Student Data Type, the *Blended Learning Term Summary* is available in the Student > Attendance folder. Use this view to find the total count of days a student is attending classes virtually and physically for a term.

For the Course/Section Data Type, the *Blended Learning Summary view* and *Blended Learning Summary (Overall)* are available in the Course > Section Information folder. Use these views to find the total count of students associated with particular Blended Learning groups.

Blended Learning - Copy Virtual Attendance Preferences (SIS-138817) **[Enhancement]**

The Virtual Attendance Preferences can now be copied to other calendars using the Virtual Attendance Preferences Copier Wizard.

All selected virtual attendance preferences in the Source Calendar are copied to the Destination Calendar. If the Destination Calendar already has preferences selected, they are overwritten with this process.

Path: System Administration > Attendance > Virtual Attendance Preferences Copier Wizard

Blended Learning - Ad hoc Reporting Participation Detail View (SIS-139040) **[Enhancement]**

A Blended Learning Participation Detail view has been added to the Student > Attendance folder in the Filter Designer. This option includes fields to create reports using the participation records of students, whether added by a student check in, a parent check in or a teacher entry of participation.

Blended Learning - Archive Ability, Calendar Selection, Other Updates (SIS-139597) **[Enhancement]**

Blended Learning Groups can now be archived. This can be only be done for groups that have an end date in the past; active groups cannot be archived. An _Archived_ field has been added to the Filter Designer for Student Data Types.

Other Updates to Blended Learning:

- When the Campus toolbar has All Years selection, a delay in the selection of a group and a selection of a calendar no longer occurs.
- The Group Start Date now displays on the Preview page when adjusting groups.
- The error message for a missing value in the Number of Days in Rotation in New Learning Groups is the same message that displays in Adjust Learning Groups.
- Multiple calendars can now be selected, instead of just one calendar, when adding students to groups automatically, adjusting a student's group assignment and adjusting a group day assignment. Instead of All Calendars, a Select All button is available. This multi-select option displays as open, allowing users to choose a few calendars at one time without having to open the field after each selection.
- A message now displays when the Automatic Group Assignment process is running indicating that changes cannot be made until the process is complete.
- The suffix field (Jr., III, etc. ) has been added to the Adjust Group Assignment student selection.

- The Group Name field is limited to 100 characters.
- When adjusting student groups, the start date for students must be on or after the start date of the group.

Blended Learning - Automatic Group and Membership Assignment (SIS-139704) **[Enhancement]**

The original COVID-19 Attendance Process available for recording virtual attendance in the 2019-20 school year has been replaced with Virtual Attendance Preferences, along with several other tools for Blended Learning.

If your district was using the original COVID-19 Attendance Process for recording attendance for students in the 2020-21 school year BUT Blended Learning Groups have NOT been created, one Blended Learning Group will be created automatically and all students enrolled in a calendar with Enable Covid-19 assignment insert marked will be assigned to that new group.

In addition, that automatic group, COVID-19 Attendance, is also associated with every attendance day in the affected calendar, accounting for all dates prior to taking this update. Students in calendars that do not have the COVID-19 Attendance assignments enabled will not be placed in the group.

Blending Learning - Future Group Display (SIS-139714) **[Enhancement]**

For students who do not have a current Blended Learning Group assignment but are assigned to a group with a future start date, the Blended Learning Group icon now displays in the student header. Hovering over the icon displays the start date for that group.

Note that future group assignments do not display on Student Attendance.

This applies to the classic navigation of Campus only.
