

# MN v3.3 - Student Early Education Program Associations Resource Preferences

Last Modified on 04/17/2025 2:19 pm CDT

The Ed-Fi Configuration tool is used to establish Ed-Fi data resources.

The following describes how to set the resource preferences for the Student Early Education Program Association resource.

If a mapping is changed, a resync must be performed on the resource in order for the new mappings to send correctly.

Any item not mapped will not report to Ed-Fi.

1. Select the appropriate **Ed-Fi Code** for the Funding Sources Descriptors.

## EarlyEducationFundingMN Funding Source

UI Location	Student Information > Program Participation > Early Education > Early Education Funding Source > Funding Source
-------------	---

Funding Sources Descriptors

EarlyEducationFundingMN Funding Source	Ed-Fi Code
