This article is intended for use by members of the Digital Learning Partner Program and is not designed for general Campus users.

Overview

We support score syncing via [LTI Basic Outcomes v1.1](#).

NOTE: This document is intended to be a clarification of our implementation of the specification document. This is not comprehensive documentation of the LTI Basic Outcomes specification.

Preconditions

This feature is only available for those partner products we have configured centrally to sync back scores. If you want to utilize this feature please contact Infinite Campus development.

Launch Parameters

Parameter Name	Description	Value or Example
lis_outcome_service_url	Endpoint to which the result should be returned per the specification.	<i>https://state.infinitecampus.com/campus/resources/curriculum/lti/outcome/myL</i>
lis_result_sourcedid	Identifier for the result object to be updated with the result of this launch.	<i>c21a285a-121c-4b09-becf-0e6987a71d0e</i>

Limitations

Per the specification, Campus can only sync numeric scores for one single grading task. Campus cannot sync rubrics-based scores or multi-dimensional standards results.
