Tool Search: EL

The English Learners (EL) tools allow schools and districts to manage student EL programs, assessments, services, and accommodations. The EL tab provides a central location for managing EL information such as the date the student was identified as EL, when the student entered/exited an EL program, when the student is expected to leave an EL program and First Year/Second Year Monitoring data. For students who exited and/or re-entered an EL program, an historical record is kept and displayed on the tab which can be viewed in both State and District Editions of Infinite Campus.

Some fields in the EL tab are specific to your state. All other fields in the EL tab do not require unique, state-specific data. However, many of these fields are required and data entry in these fields is necessary. For more information on these fields, see the [English Learners \(EL\)](#) article.

Program Status

Program Status codes indicate the student's EL status. While the codes defined by Infinite Campus are not specific to Texas, the LEP Indicator Codes defined by Texas have been aligned to correlate with these codes. See below for translation of this alignment.

Service Type

Bilingual Service Type codes indicate whether the student is participating in a state-approved bilingual education program which is a full-time program of dual-language instruction through the TEKS in the content areas (mathematics, science, health, and social studies) in the primary language of Limited English Proficient (LEP) students and also for carefully structured and sequenced mastery of English cognitive academic language development.

ESL Service Type codes indicate whether the student is participating in a state-approved English as a Second Language (ESL) program. An ESL program in grades PK-8 is a program of intensive instruction in English from teachers either certified or endorsed in ESL who use second language acquisition information to teach LEP students the ESL TEKS. An ESL program in grades 9-12 is a program of intensive instruction in English from teachers trained in recognizing and dealing with language differences.

Bilingual/ESL Summer School codes indicate whether the student participated in the Bilingual/ESL Summer School program. To be eligible for enrollment in the Bilingual/ESL Summer Program, a student must be Limited English Proficient (LEP) and must be eligible for admission to kindergarten or first grade at the beginning of the next school year. LEP shall be determined by screening students using oral proficiency instruments approved by the Commissioner of Education.
