The State Seal Information section allows you to add State Seal records to a student's graduation record.

The screenshot shows the 'Graduation' tool interface. At the top, there's a header with 'Graduation' and a star icon, and a breadcrumb trail: 'Student Information > General > Graduation'. Below the header, there's a 'Save' button and a 'Related Tools' link. The main form area contains several dropdown menus for 'BIE Activity after Grad/Exit', 'BIE Diploma Type', and 'BIE Post Grad/Exit Plans'. Below these are three text input fields for 'BIE Post-Secondary Institutions'. A section titled 'State Reporting Graduation Fields' contains an 'Expected Year of Graduation' input field. At the bottom, the 'State Seal Information' section is highlighted with a red box. It contains a table with columns: 'State Seal', 'Date Earned', 'Method', 'Proficiency Date', and 'Language'. The table has one row with the following values: 'Biliteracy: WA State Seal of Biliteracy', '08/01/2024', 'Q: National Exam', '08/03/2024', and 'English (639)'. Below the table is an 'Add State Seal' button. A red arrow points to the 'Add State Seal' button.
