The College and Career Readiness Indicator evaluates a student's presumed ability to go to college and have a career upon graduation from school. Information reports on the [ISBE College and Career Readiness Extract](#) for any student in state grade levels of 09-12.

The screenshot displays the 'CCRI Editor' interface. At the top, there's a navigation bar with 'Student > State Programs > CCRI'. Below this are buttons for 'Save', 'Delete', 'New', and 'Documents'. The main content area is divided into two sections: 'CCRI Summary' and 'CCRI Detail'. The 'CCRI Summary' section shows a table with one row: 'CCRI Start Date' (05/04/2020) and 'CCRI End Date'. The 'CCRI Detail' section contains several fields: '\*CCRI Start Date' (05/04/2020), 'CCRI End Date', 'Career Ready Indicators' (Identify Career Int EOY Soph Yr, Career Development, Attain/Maintain Employment 12 Mo, Consecutive Summer Employment), 'GPA' (3.4), and 'Industry Credential' (02: Arts and Communications). The interface is titled 'CCRI Editor' at the bottom.

## CCRI Fields Available in Ad hoc Query Wizard

Use the fields available in the **Student > Learner > State Programs > CCRI** folder to create ad

hoc reports. Select the Student Data Type from the Filter Designer options.

## CCRI Detail

The CCRI editor includes a series of checkboxes that are marked when the student completes or meets that item. Included are:

- As a sophomore, Career interest at End of Year
- Attained and/or maintained employment for 12 months
- Achieved an industry credential in a selected area or expertise

Also noted here is the student's GPA. If this field is populated, that value reports on the College and Career Readiness Extract when the student is in grades 11 or 12. If this field is not populated, the GPA value from the Transcript tab reports on the extract.
