Tool Search: CCRI

The College and Career Readiness Indicator assesses a student's presumed ability to attend college and pursue a career upon graduation. Information reports on the [ISBE College and Career Readiness Extract](#) for any student in the state at grade levels of 09-12.

Add a CCRI Record

1. Click the **New** button. A **CCRI Summary** and a **CCRI Detail** editor displays.
2. Enter the applicable information for the student.
3. Click the **Save** icon when finished. The saved record displays in the CCRI Summary.

CCRI Detail Field Descriptions

The CCRI editor includes a series of checkboxes that are marked when the student completes or meets that item. Included are:

- As a sophomore, Career interest at End of Year
- Attained and/or maintained employment for 12 months
- Achieved an industry credential in a selected area or expertise

Also noted here is the student's GPA. If this field is populated, that value is reported in the College and Career Readiness Extract for students in grades 11 or 12. If this field is not populated, the GPA value from the Transcript tab is reported in the extract.

Data reports in the [ISBE College and Career Readiness Extract](#) for any student in the state at grade levels of 09-12.

Field	Description	Ad Hoc Inquiries Database Location
