Tool Search: Crisis Event

The Crisis Event tool tracks students who were enrolled or are eligible for enrollment but have temporarily or permanently enrolled in another school or district because of a crisis-related disruption in educational services.

See the core Crisis Event article for information on necessary tool rights, available Ad hoc fields, and guidance on adding Crisis Event records.

Crisis Event Record

The following fields report on the Student Education Organization Associations Ed-Fi resource. See the Nebraska Ed-Fi article for additional information.

Field	Description	Additional Information
Start Date	The date on which the crisis event began.	**Database Location:** CrisisEvent.startDate **Ad Hoc Inquiries:** Student > Learner > StatePrograms > CrisisEvent > **startDate**
