Crisis Event (Texas)

Last Modified on 09/24/2026 11:28 am CDT

Path: Student Information > State Programs > Crisis Event

The Crisis Event tool tracks students who were enrolled or are eligible for enrollment but are temporarily or permanently enrolled in another school or district due to a crisis-related disruption in educational services. Fields specific to Texas are detailed below. See the core Crisis Event article for additional information.

Record, review, and maintain student Crisis Event information.

Read - View Crisis Event records.
Write - Edit existing Crisis Event records.
Add - Add new Crisis Event records.
Delete - Remove Crisis Event records.

See the Tool Rights article for more information about Tool Rights and how they function.

Crisis Event field descriptions

Crisis Event data reports in the Students Ed-Fi resource.

Field	Description	Ad hoc Inquiries Database Location
Start Date *(Required)*	Date the crisis event began.	Student > Learner > StatePrograms > CrisisEvent > startDate CrisisEvent.startDate

End Date	Date the crisis event ended.	Student > Learner > StatePrograms > CrisisEvent > endDate CrisisEvent.endDate
Crisis Code *(Required)*	Indicates a state health or weather-related event that impacts a group of students and may require additional funding, educational, or social services. The event may or may not cause the student to leave the district or campus of residence. The Commissioner of Education designates a crisis event. This field is maintained at the district level so districts can easily activate and inactivate codes during crises.	Student > Learner > StatePrograms > CrisisEvent > crisisType CrisisEvent.crisisType
Comments	Additional information about the record.	Student > Learner > StatePrograms > CrisisEvent > comments CrisisEvent.comments

District defined elements

District-specific data elements are established using the Custom Attribute/Dictionary tool.

- Fields do not display in the Crisis Event Editor. Users must select the record to see this detail.
- The header for this section is not displayed until district-defined elements are added.
