Tool Search: BIE Funded and Approved Courses

[Report Logic](#) | [Generate the Report](#) | [Report Layout](#)

The BIE Funded and Approved Courses report identifies BIE funded and approved courses that make up the education specifications curriculum in a school's course catalog. This report refers to the information found in the [BIE Course Data](#) section of a course to report.

This report is available both BIE District and State Editions.

BIE Funded and Approved Courses

This report identifies BIE funded and approved courses that make up the education specifications curriculum. To generate, select the Year, District and School from the Tool Bar. A Course will report if a selection is made under BIE Core Type and the course has at least one section scheduled in an active term during the selected date range.

Report Logic

A course reports if:

- a value has been selected from the **BIE Core Type** field in the **BIE Course Data** section of the course.
- at least one section of a course is scheduled within the dates entered in the report's Start Date and End Date fields.

The screenshot shows a course information form for CourseID 3895. The form is divided into several sections: Course Information, NCES Data, and BIE Course Data. The BIE Course Data section is highlighted with a red box and contains the following fields:

- *BIE Core Type**: A dropdown menu with a selected value.
- BIE Approved**: A dropdown menu.
- BIE Funded**: A dropdown menu.

Other fields in the form include: *Number (ECEAP), *Name (ECEAP), Standards-based (checkbox), Active (checkbox checked), External LMS Exclude (checkbox), Course-Only Curriculum (checkbox), Subject Type (Not Applicable (NA)), State Code (80000), Department (ECE), Schedule Load Priority, Max Students, Terms (0), Schedules (0), Periods (0), Sections to Build (0), Preferred Room Type, GPA Weight (0), Bonus Points (checkbox), Advisory (checkbox), Transcript (checkbox), Required (checkbox), Type, Course Designation Code (Select Values), AP / IB Code (Select a Value), Responsive (checkbox), Activity (dropdown), CIP Code (Select a Value), Homeroom (checkbox), Allow student requests (checkbox), Allow teacher requests/recommendations (checkbox), Hide Standards On Portal (checkbox), Repeatable (checkbox), Attendance (checkbox checked), Positive Attendance (checkbox), Online Learning (dropdown), Approved Online Provider (dropdown), Online Program Code (Select a Value), CTE Equivalency (dropdown), CTE Equivalency Determination (dropdown), Dual Language Program Model (dropdown), Instruction Language (Select a Value), and Comments.

BIE Core Type in BIE Course Data

Generate the Report

1. Enter a **Start Date** and **End Date**. Applicable courses offered on at least one day within the selected date range display.

2. Select preferred **Format** for the report to display (CSV or HTML).
3. Select a **Course Ad Hoc Filter** (optional) to narrow down the course list. Only courses found in the ad hoc that also meet the reporting business requirements display when the report generates.
4. Select '**Generate Report**' or '**Submit to Batch**'. The report displays in the selected format.
