Include Medicaid in Extend Direct Certification	<p>If this checkbox is marked, the Extend Direct Certification Status to Additional Students in Household checkbox will also include Medicaid when using the Eligibility Import Wizard to import a direct certification file.</p> <p>If all students in the same household as the import student should be assigned a Direct Certification eligibility status (even when not included in import file), users can mark the Extend Direct Certification Status to Additional Students in Household checkbox. Marking this checkbox will compare the student in the import file to the student(s) listed in the primary household or at the same address. Students in the household who do not have existing eligibilities will be assigned the same eligibility status as the student included in the import file.</p>	Eligibility Import Wizard
Non-Direct Eligibility Overwrite	If this checkbox is marked, new non-direct eligibilities imported from the Eligibility Import Wizard will overwrite existing non-direct eligibilities. This checkbox is marked by default.	Eligibility Import Wizard

<p>Meal Benefits</p>	<p>Enables the Application/Forms section to become available within the Campus Portal. This checkbox also enables users to use the Meal Benefits Application within the Applications/Forms section for submitting Household Applications via the Portal.</p> <p>Per USDA guidelines, schools are not permitted to accept Meal Benefit applications for the upcoming school year prior to July 1. Therefore, if you choose to enable Online Applications for the first time (by selecting the Meal Benefits checkbox), you can set up the Custom Approval/Denial Letters for the upcoming school year prior to the July 1 but you cannot select the Meal Benefits checkbox until July 1. For example, if you decide to use Online Applications for the first time starting 7/1/2020 and you set up all Approval/Denial Letters in June 2020, you must wait until 7/1/2020 to select the Meal Benefits checkbox.</p> <div data-bbox="416 920 1110 1697" style="background-color: #f8d7da; padding: 10px; border: 1px solid #f5c6cb;"> <p>If you do NOT Activate E-Signature Functionality</p> <ul style="list-style-type: none"> • It is ultimately the responsibility of each CNP SA (Child Nutrition Program State Agency) and local agency to review their state’s statutes and policies regarding what is required for the electronic transfer of information in state-administered Federal programs. FRAM Processor Locked Time	Indicates the number of minutes a FRAM Processor is able to work on processing an Online Meal Benefits Application submitted via the Portal before other FRAM Processors are allowed to open and process the online Meal Benefits application. This functionality ensures no more than one processor is processing the same application at the same time. After an online Meal Benefits application is submitted for approval and the amount of time selected in this field has passed, any processor may process the application.	Online Applications
Medicaid	Allows schools/districts to enter a different name for their Medicaid benefits. This will be the Alternate Medicaid name used in the Authorizations screen within the online Meal Benefits Application on the Portal. If an alternate name is not entered, the USDA name will be used.	Online Meal Benefits Application
SCHIP	Allows schools/districts to enter a different name for their SCHIP benefits. This will be the alternate SCHIP name used in the Authorizations screen within the online Meal Benefits Application on the Portal. If an alternate name is not entered, the USDA name will be used.	Online Meal Benefits Application
SNAP	Allows schools/districts to enter a different name for their SNAP benefits. This will be displayed in the Benefits question in the online Meal Benefits Application workflow.	Online Meal Benefits Application
TANF	Allows schools/districts to enter a different name for their TANF benefits. This will be displayed in the Benefits question in the online Meal Benefits Application workflow.	Online Meal Benefits Application
FDPIR	Allows schools/districts to enter a different name for their FDPIR benefits. This will be displayed in the Benefits question in the online Meal Benefits Application workflow.	Online Meal Benefits Application
Other	Allows users to enter up to three additional meal benefits. These additional benefits will be displayed in the Benefits question in the online Meal Benefits Application workflow.	Online Meal Benefits Application
