You are viewing a previous version of this article. See [FRAM Preferences](#) for the most current information.

**Classic View:** [FRAM](#) > [FRAM Preferences](#) > [Verification Preferences](#)

**Search Terms:** [Verification Preferences](#)

Settings on the Verification Preferences tab allow you to set default values/options to be used in letters sent to guardians of households whose applications are being verified.

All preferences are tied to and impact the [Verification](#) tool.
