Tool Search: Digital Equity

The Digital Equity tool allows schools to track digital devices and internet availability for students. More than one record can be added, but records cannot overlap.

See the core [Digital Equity](#) article for information on necessary tool rights, available Ad hoc fields, and guidance on adding and printing Digital Equity records.

The screenshot displays the 'Digital Equity' tool interface. At the top, there is a search bar labeled 'Search for a tool or student'. Below this, the title 'Digital Equity' is followed by a star icon and a breadcrumb trail: 'Student Information > State Programs > Digital Equity'. A toolbar contains four buttons: 'New' (with a plus icon), 'Save' (with a floppy disk icon), 'Delete' (with an 'x' icon), and 'Print Summary Report' (with a printer icon). The main content area is divided into two sections. The first section, 'Digital Equity Summary', features a table with two columns: 'Start Date' and 'End Date'. The 'Start Date' column contains the value '11/23/2020'. The second section, 'Digital Equity Detail', contains several form fields: '\*Start Date' (with a calendar icon and the value '11/23/2020'), 'End Date' (with a calendar icon), 'Device Type' (a dropdown menu with '1: Chromebooks/laptops' selected), 'Device Owner' (a dropdown menu with '1: Personal, dedicated device' selected), and 'Internet Connectivity' (a dropdown menu with '1: Personal Access' selected). At the bottom of the detail section, it says 'Modified By: Administrator, System 11/23/2020 09:30 AM' and 'District Defined Elements'.

*New Jersey Digital Equity Detail Editor*

Note the following:

- Use the [Federal/State Program Updater](#) tool to import Digital Equity information to this tool.
- For OLR Prime users, see the [OLR Federal Program Posting Setup](#) article for information on adding Digital Equity fields (and other Federal Program fields) to the Online Registration application. These fields automatically post to the added field.

# Digital Equity Field Descriptions

The following fields are available in the Digital Equity Detail editor.

## Start Date

Reports the start date for the Digital Equity record.

▶ [Click here to expand...](#)

### Database Location:

DigitalEquity.startDate

### Ad Hoc Inquiries:

Student > Learner > State Programs > Digital Equity > **digitalEquity.startDate**
