Tool Search: Digital Equity

The Digital Equity tool allows schools to track digital devices and internet availability for students. More than one record can be added, but records cannot overlap.

See the core [Digital Equity](#) article for information on necessary tool rights, available Ad hoc fields, and guidance on adding and printing Digital Equity records.

The screenshot displays the 'Digital Equity' tool interface. At the top, there is a search bar with the placeholder text 'Search for a tool or student'. Below this is the title 'Digital Equity' with a star icon and a breadcrumb trail: 'Student Information > State Programs > Digital Equity'. A row of action buttons includes 'New', 'Save', 'Delete', and 'Print Summary Report'. The main content area is divided into two sections. The first section, 'Digital Equity Summary', contains a table with two columns: 'Start Date' and 'End Date'. A single row is visible with the value '11/23/2020' under 'Start Date'. The second section, 'Digital Equity Detail', is a form for editing a record. It includes fields for '*Start Date' (set to 11/23/2020), 'End Date', 'Device Type' (set to '1: Chromebooks/laptops'), 'Device Owner' (set to '1: Personal, dedicated device'), and 'Internet Connectivity' (set to '1: Personal Access'). At the bottom of the form, it shows 'Modified By: Administrator, System 11/23/2020 09:30 AM' and a section for 'District Defined Elements'.

New Jersey Digital Equity Detail Editor

Note the following:

- Use the [Federal/State Program Updater](#) tool to import Digital Equity information to this tool.
- For OLR Prime users, see the [OLR Federal Program Posting Setup](#) article for information on adding Digital Equity fields (and other Federal Program fields) to the Online Registration application. These fields automatically post to the added field.

Digital Equity Field Descriptions

The following fields are available in the Digital Equity Detail editor.

Start Date

Reports the start date for the Digital Equity record.

▶ [Click here to expand...](#)

End Date

Reports the end date for the Digital Equity record.

▶ [Click here to expand...](#)
